

PRODUCT GROUP 300

Series 388-03

Wax paste

This special additive paste increase the slip properties and improve the abrasion resistances of series 388 and homologue ink lines. Based on high quality fluoride nano-particles (Teflon type) an addition will reduce the surface resistance and advance the smoothness of ink film.

SUBSTRATES

PVC, soft and rigid	PS, ABS, SAN	Polycarbonate	Treated Polyester
Coatings and Paints	Wood	Paper, Cardboard	„Plastics“

USE

Application	This paste is compatible with all Series based on Series 388-MS-colors. The addition ratio is in a range of 3-5 % by weight, max. 10% by weight.
	Specifically developed to increase the surface properties of such modified systems.

PROPERTIES, PROCESSING, DRYING AND MESH

Mesh	77-55 Y PW up to 150-31 Y PW PET 1000
Drying / Curing	Air / Jet
Further Processing	Cutting, embossing, folding

ADDITIVES

Thinner	Series 300-017	Addition Ratio	10-15 % by weight
Retarder	Series 300-018	Addition Ratio	10 % by weight

VARIOUS

Delivery Conditions	In stock
Other	Mix well in the modified inks

Disclaimer

Please thoroughly read the Material Safety Data Sheet (MSDS) prior to processing. The Material safety Data Sheets according to 91/155/EWG form, contain indications of hazardous ingredients. Exposure levels and instructions for precautions when processing, handling and storing as well as first aid. The information given in the MSDS refer to the processing as described within this technical leaflet. Above data are based on laboratory tests and field experience. All therein contained statements are to the best of our knowledge without any obligation from our side and do not discharge from testing the product by yourself. In doubtful cases, you are kindly requested to either perform your own tests or refer to our technical staff. Application, use and processing of the delivered products are beyond our control and are therefore at your own risk and responsibility. Printcolor is thus free from any guarantees or liabilities. In cases of justified complaints, Printcolor can only be made liable for the counterpart of the utilized ink system. Adding not stated products or foreign / competitors products, is solely at your own risk and liberates Printcolor of any later calls; especially in cases when damages occurred and which have been caused through use of products of foreign type. This leaflet replaces all former issues. (03/2008)
